

Once you register your child for a local NFL FLAG League, you can visit <https://nffflag.com/register> and create a parent account to access resources and complete the participation agreement for your player for them to be eligible for the secondary insurance.

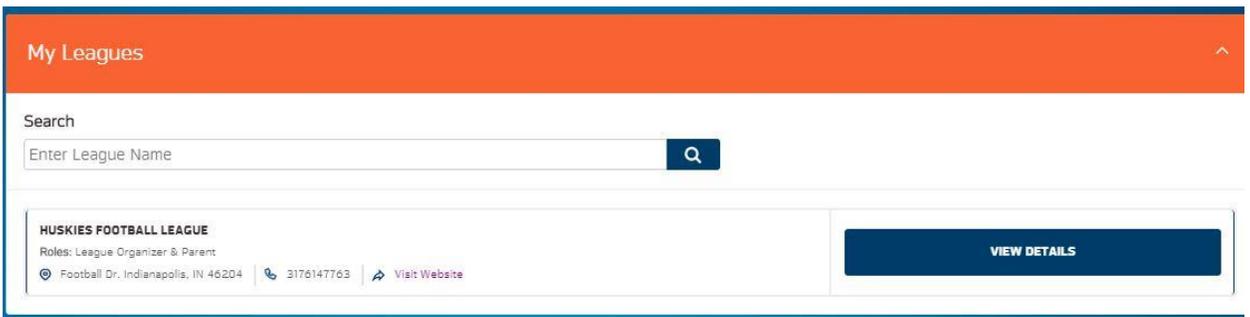

Step 1: Create your parent account here <https://nffflag.com/register> and complete all the required fields and associate with your child's league.

The registration form is divided into two columns. The left column contains fields for: First Name, Email, Password, Address, City, and Phone. The right column contains fields for: Last Name, Confirm Email, Confirm Password, Apt., Suite, Etc., State (dropdown), Zip, and Birthdate. At the bottom, there is a checkbox labeled 'I want to associate with my league' and two buttons: 'Select Your Role' and 'Select Your League'.

Click the box to associate, and select the **Parent Role Type**, and then search for your league by name in the search field.

Step 2: Once you are logged into your account, you can click the blue **View Details** button next to your league name. This will direct you to the **Manage Players** section.
