

## **Reasons My Parking Ticket will NOT be Dismissed:**

- I was just there for a short time
- Lack of legal parking space
- Lack of convenient parking space
- Time constraints (only a minute late)
- Lack of funds (no change)
- No one else got a ticket
- Didn't see the sign
- Parked in same area and never received ticket before
- Ignorance of City of Wisconsin Dells Parking Regulations (City Ordinance – Chapter 10.22)
- I didn't intend to do it
- The fine is too much
- My vehicle was parked on private property without owner permission
- I lost my ticket
- I left my paid parking spot for another
- I never saw the ticket on my car or received any late notices

### **No Knowledge of the Parking Ticket**

Never having received the parking ticket is typically not a defense since notices are also sent to the address of the registrant. It is the responsibility of the vehicle owner to update this information with the Department of Motor Vehicles in a timely matter.

**REMINDER:** Any unpaid parking citations will be submitted to the Wisconsin Department of Transportation and your vehicle registration will be suspended until the matter is resolved.
