

Access south of Stage 1 limits should access from the Clara Ave/Trout Road intersection.

STARTING MONDAY, October 5, 2020

- Trout Road will be closed to through traffic from STH 13 Intersection to .20 miles south of the STH 13 Intersection.
- Access to local businesses will be through frontage roads off of STH 13. Exits from local businesses will be a temporary gravel lane to the STH 13 intersection from Frontage roads.
- Access to local businesses south of the Stage 1 construction limits will need to access from Clara Ave./Trout Road southern intersection.
- Trout Road portion of Stage 1 is tentatively planned to be opened to traffic in late November 2020.

These dates are tentative and subject to change due weather and contractor operations.

Please plan on using alternate routes to avoid closures if possible.
