

Tree City Committee Minutes April 11, 2016

Dar Mor called the meeting to order in the Wisconsin Dells Municipal Building at 5:00 PM. Other members present: Dave Holzem, Becky Gussel, and Debbie Kinder. Shirley Tollaksen was excused. Ed Legge was representing the Dells Events.

Minutes of the Dec. 14, 2015 meeting were approved as corrected on a motion by Dar seconded by Becky.

Dave is talking to Fr. Eric from the Catholic Church about trees on the 600 block of Oak St. After their landscaping decision has been made, we will look into planting on the rest of that block. The BID tree in front of Swiss Maid Fudge is dead and will be replaced. Sweeneys on Capital Street will not treat their ash trees; they will replant some of their trees. The two trees on the 700 block of Oak St which died last summer will be replaced after consulting with McKay about how to optimize their survival this time.

Because Fred Westerfeldt can't make the Arbor Day presentation that was scheduled for April 22 and because we won't have any trees to plant, we are not going to be able to have an Arbor Day ceremony this year. This decision was made on a motion by Becky, seconded by Dar.

Debbie and Dave will check with the DNR to be sure that our Tree City application for 2016 has been renewed.

The next meeting will be scheduled when needed.

The meeting was adjourned at 5:20 on a motion by Dar, seconded by Becky.
