Wisconsin Dells CORP Update – Preliminary Improvements Discussion
June 15, 2015
Park Tour – Comment Form

The purpose of the park tour is observe and discuss potential park improvements to incorporate into the update of the City's Comprehensive Outdoor Recreation Plan. Please use this form to guide your discussions.

Each park includes a box to indicate desired improvements considered a *need* versus a *want*. Needs generally address maintenance, access or safety items but can include installation of new or replacement equipment or facilities. Wants generally address something you would like to add to a park but may not be as essential in the short term.

As you tour each park consider the following:

- External access to the park (sidewalks, trails, bike routes etc.)
- Signage (including wayfinding to the park and onsite signage)
- Parking & circulation (vehicular and bicycle)
- Internal access to the park (accessible paths to play equipment, shelters or ball fields)
- Shelters and restrooms
- Support facilities (benches, picnic tables, water fountains, grills)
- Lighting
- Diversity of play equipment or recreational facilities
- Condition of play equipment or recreational facilities
- Location of play equipment or recreational facilities
- The size of the park and any opportunities for expansion
- The main users of the park and opportunities to increase their enjoyment of the park
- Opportunities to attract other users to the park
- Use of the park for special events and special event needs
- The demographics of the surrounding neighborhood and their potential needs
- The results of the online survey
- How the park fits within the entire Park System
