Description

Versadock's Kayak Launch Dock is the ultimate addition to improve your kayaking experiences. Featuring Versadock's proprietary roller bars that makes launching and landing almost effortless. Plus, it is extremely stable which makes getting in and out of the kayak easy and very safe. Once you are in the kayak just push yourself back to roll right off. You can attach a grab line that you use to effortlessly pull your yourself back on – the roller bars do all of the work! Two models to choose.

How and what are you going to attach your launch to?

Tie up using cleats- GOOD

Kay-aKcess Launch Applications

- Waterfront Homes- Seawall, Dock and Canal
- Parks- Active and Passive
- Camp Grounds
- Marinas
- Resorts
- Adaptive Water Sports
- Condominiums on the Water
- Yacht Clubs
- 55+ Communities
- Restaurants on the Water

Free standing- BETTER, 3" pipe hoop connectors \$80 each and 2 1/2" pipe. There are two types - one that attaches anywhere along the frame and the other which connects in the end slots of the frame. Pipe (which is purchased locally) is then driven down into the seabed, and can be covered with a section of PVC for cosmetic purposes.

Attach to a dock/ seawall or pilings- BEST Slide assemblies are the most stable and secure method of installing or attaching

your dock- especially if you encounter boat traffic and boat wakes. \$1099 pr. Usually only 2 slides are required.

3. Select Your Accessories

Side Assist Bar \$179

Overhead Assist Bar 36" \$189

Cleats: \$16 each with stainless hardware installed

Bump Strip: \$9.00/ft installed

3 step fiberglass stairs with aluminum handrail \$529.
 4 step fiberglass stairs with aluminum handrail \$599.
 3, 4 and 5 step aluminum ladders - \$129/\$139/\$149.

Additional Dock Sections to make your kayak launch larger
 4' x 8' dock section \$849 resulting in a 8' x 16' area
 5' x 8' dock section \$979 resulting in a 8' x 17' area

4. Are You Going to Install Your Launch or Do You Need an Installer?

About half of our customer self install. Tie off and pipe hoop methods are very easy, but even half of our customers install the slide assemblies. Full instructions are available at our **Dock Installations** section.

5. Shipping Quotation- Our kayak Launch Docks are shipped on a pallet. You will need a shipping quote and it can be delivered to the nearest shipping depot and held for pick-up (least expensive) or be brought out to your home for an additional fee. Please supply your zip code and name of your city - and we will supply you with both quotes - depot/home.

Request your shipping quote or for more information call 941-662-5935 or email mail@Kay-aKcess.com.
