YOUTH MARTIAL ARTS

This program is in partnership with Next Level Martial Arts Academy out of Portage. Next Level Martial Arts Academy is offering an introductory and advanced course in Martial Arts. Sessions for three age groups are being offered.

The first age group we are offering is 4 to 5 year olds. This is a basic class. The kids will tumble and learn self-defense.

The second age group will be 6 to 7 year olds. This class will focus on laying the foundation for strong character, focus, discipline, respect, listening skills, caring, awareness, coordination, and agility.

The third age group will be 8 to 12-year-old children. In this course they will learn a variety of strikes, kicks, blocks, proper stances, and how to fall safely. They will also learn self-defense techniques against grabs, holds, chokes, and punches. A strong emphasis will be placed on building confidence, focus, discipline, respect, and manners, for all three age groups.

Adults - Brazilian Jiu Jitsu, also referred to as "Gentle Art," is a martial art that focuses on controlling an opponent and making them submit through choke holds, joint locks or superior position which inflicts a level of discomfort. Most of the techniques in Jiu Jitsu are ground based due to the idea that control is easier to achieve on the ground as opposed to standing. Through the use of leverage and position students will learn to overcome their opponents. This class offers something for everyone, including physical fitness, self defense, and mental focus. All skill sets are welcome to join!

Participants will not be required but are recommended to purchase a uniform for \$34.99 from Next Level. Please call the Park & Rec office if you have questions or visit our website at www.citywd.org.
