Arbor Day plans feature planting a Tribute Tree in memory of Taylor (TJ) Jayne, a member of the WDHS Class of 2008 at 3 PM on April 24 near the basketball court. The theme of the April 28 Dells Delton Community Supper will be Arbor Day. Becky will work with Char Davies to create a tree with handprint leaves for a paper tree. Debbie is buying seedling white spruce and red pines to plant and send them home with families to plant in their yards. She will create a sheet of directions to go with each tree.

A Tree City presentation will be made to City on April 20 at the council meeting. We are welcome to attend to be recognized at the meeting.
