PARKS, RECREATION, AND WATERWAYS COMMITTEE

CITY OF WISCONSIN DELLS 300 La Crosse St

WISCONSIN DELLS, WI 53965

June 5, 2017

1. Chairperson De Fosse called the meeting to order at 5:30 P.M. Notice of the meeting was provided to the Dells Events, WNNO Radio, and posted in accordance with State Statutes.

Present: Jesse De Fosse, Gordon Priegel, Becky Gussel, Mike Warnke, Tammy Mayer,
Joey Van Dinter, Thad Meister

Others: Raine Gardner (MSA)

Excused: Joe Eck

2. Motion by Priegel seconded by Van Dinter to approve the May 1, 2017 meeting minutes. Motion carried unanimously.
3. Discussion only on the survey work completed by MSA at the Marina and Jenkins Park. Discussion regarding a trail through Jenkins Park along with the sidewalk and railing replacement were looked at. Meister noted that DPW may be looking to replace the sidewalk along River Rd up to Wisconsin Ave, which is in need of it for safety reasons. MSA is to start working on plans for replacing the sidewalk along the park. No Action was taken.
4. Discussion only on rental/usage of the Band Shell at Bowman Park. The committee discussed potential types of usage and issues that could be associated with each. It was noted that current ordinance prohibits amplified music in the park. Exceptions are made during City/Community events. If more information becomes relevant this will be brought back to the committee. The committee directed Thad to monitor this as he has been doing. Thad noted that opening the venue up to one group, thus opens it up to others and that possibly applications for this type of usage would need to go in front of the Park Committee and City Council. Until more direction is given the intent will be to not allow these rentals/usage of the Band Shell. No action was taken.
5. No items for referral at this time. Next meeting June 5 at 5:30PM.
6. Motion by Warnke and seconded by Gussel to adjourn at 6:15 PM. Motion carried unanimously.

MARTIAL ARTS

This program is in partnership with Next Level Martial Arts Academy out of Portage. Next Level Martial Arts Academy is offering an introductory and advanced course in Martial Arts. Sessions for three age groups are being offered.

The first age group we are offering is **4 to 5 year olds**. This is a basic class. The kids will tumble and learn self-defense.

The second age group will be **6 to 7 year olds**. This class will focus on laying the foundation for strong character, focus, discipline, respect, listening skills, caring, awareness, coordination, and agility.

In this course, **8 to 12 year old** children will learn a variety of strikes, kicks, blocks, proper stances, and how to fall safely. You will also learn self-defense techniques against grabs, holds, chokes, and punches. A strong emphasis for all three age groups will be placed on building confidence, focus, discipline, respect, and manners.

Adults - Brazilian Jiu Jitsu, also referred to as "Gentle Art," is a martial art that focuses on controlling an opponent and making them submit through choke holds, joint locks, or superior position which inflicts a level of discomfort. Most of the techniques in Jiu Jitsu are ground based due to the idea that control is easier to achieve on the ground as opposed to

standing. Through the use of leverage and position students will learn to overcome their opponents. This class offers something for everyone, including physical fitness, self defense, and mental focus. All skill sets are welcome to join!

Adult Kickboxing - This class is 45 minutes of intense cardio training, Muay Thai, and boxing techniques. We recommend this class to anyone interested in learning self-defense, training for competition, or just wanting to get into great shape! Comfortable clothes and a water bottle is recommended.

Participants will not be required but are recommended to purchase a uniform for \$34.99 from Next Level. Please call the Park & Rec office if you have questions or visit our website at www.citywd.org.
